With respect to the proposed restructuring two potential variants were presented on RailML meeting
on 19. October 2010. Refer
 http://www.railml.org/web/index.php/veranstaltungsarchiv.htm
l?file=tl_files/railML.org/documents/events/slides/2010-10-1 9_ifb_lingen-rollingstock.pdf

This shall be part of a future version 3.0 of the schema. Please review the proposals and provide any feedback. Thanks.
