Dear All,

Changes from <https://trac.railml.org/changeset/805/railML> documented in the Wiki.

The changes are visible on [https://wiki.railml.org/index.php?title=IS:state\\_states\\_trac k&oldid=8463](https://wiki.railml.org/index.php?title=IS:state_states_trac k&oldid=8463) but temporarily hidden in the current version  
[https://wiki.railml.org/index.php?title=IS:state\\_states\\_trac k&oldid=8464](https://wiki.railml.org/index.php?title=IS:state_states_trac k&oldid=8464) until  
<https://wiki.railml.org/index.php?title=Template:Current> is switched.

Please let me know, whether the changes are correct.

Yours, Ferri
