Dear Christian, Dirk and others,

Please have a look at a thread about its uses in the neighbouring  
timetable-forum:

<http://www.railml.org/forum/ro/?group=2&id=309>

Don't miss the 'serviceSection' element!

Thanks for the quick implementation. Would you please provide the  
appropriate keyrefs therefore? I will describe this dev-part of the  
documentation in the wiki next:
